2140. SHRI TINDIVANAM G. VENKATRAMAN:
SHRI V. GOPALSAMY:

Will the PRIME MINISTER be pleased to state:

(a) the total revenue earned by the Spices Board during the last three years, year-wise;

(b) what had been the profit of Spices Board, year-wise during this period;

(c) the total quantity of spices exported by Board during this period, item-wise and country-wise figures;

(d) the assistance provided by the Board during this period to farmers for higher production of spices;

(e) whether Spices Board provided any assistance to distressed pepper cultivators; if so, the details thereof; and

(f) whether any steps are being taken to improve the export of pepper abroad; if so, the details thereof?

THE MINISTER OF STATE IN THE MINISTRY OF CIVIL SUPPLIES, CONSUMER AFFAIRS AND PUBLIC DISTRIBUTION WITH ADDITIONAL CHARGE OF THE MINISTER OF STATE IN THE MINISTRY OF COMMERCE (SHRI KAMALUDDIN AHMED): (a) The major sources of revenue for Spices Board are: cess collected against export of spices as per the Spices Cess Act, 1986 and Internal & extra-budgetary resources (IEBR), details of which are given below:—

(Rs. in Lakhs)

	1990-91	1991-92	1992-93
(i) Cess	477.76	412.47	534.88
(ii) I.E.B.R.	28.14	36.36	39.07

(b) and (c) Spices Board is not a profit making organisation and it does not export spices directly. The Board only provides assistance to spice exporters for promoting exportsl of spices and spice products from India.

(d) The Spices Board provides assistance to farmers for higher production through a number of schemes which are: (1) Production and supply of planting material; (2) Replanting of uneconomic gardens; and (3) Irrigation and development in small and large cardamom plantations.

Apart from this, Board makes limited intervention in production in other spices such as pepper, ginger, termeric, Vanilla, Chilly and Seed spices.

(e) Production, research and development aspects in respect of pepper are looked after by Ministry of Agriculture and the State Governments. However, with a view to helping cultivators, the Board has a number of schemes which include:

(i) educating growers to upgrade the quality of pepper through scientific post harvest processing for improving the quality and promoting exports;

(ii) providing subsidised supply of plant protection chemicals to enable them to control diseases;

(iii) production and supply of quality planting material: and

(iv) replantation of old and diseased pepper vines.

(f) Spices Board takes several measures for increasing export of spices (including pepper). These include sending delegations abroad, arranging buyer-seller meets, participating in important international fairs and exhibitions, promoting export of value added forms of spices, upgrading quality, brand promotion and logo promotion.
